Disabilities: (List)

BiPolar Disorder, PDD, Opositional Defiant Disorder; ID

PLAN APPROVAL

Transitional Advisory Committee Designee Approval:

I Reject the ITP and wish to appeal:

I accept the ITP:

(Signature of Individual or Guardian and Date*)

I understand that Chapter 688 is NOT a continuation of Chapter 766 (the Special Education law) and is NOT a guarantee of adult services. Chapter 688 is a planning process which bridges Special Education and Adult Human Services by developing an ITP. Services listed on the ITP may be contingent upon funding and program availability

(Signature of Individual)

Appeal Form Must be Filed Within 90 Days

BTP Code (all supports)	Description of Support Need	Responsible State Agency	Date supports are needed:	If supports to be provided are time limited, please specify.

343	Case Management – Victor could benefit from additional supports from MBHP, e.g. Intensive Clinical Management.	MassHealth	<u>6/26/18</u>	
344	Medical Services – Victor could benefit from annual medical, dental and vision reviews.	MassHealth	6/26/18	
310	Recreation – Victor could benefit from social supports	DDS	<u>6/26/18</u>	
140	Shared Living – Victor could benefit from Adult Foster Care services.	MassHealth	<u>6/26/18</u>	
308	Self Advocacy – Victor could benefit from support in understanding his rights and responsibilities.	DDS	<u>6/26/18</u>	
326	Behavior Management – Victor could benefit from behavior consultation.	DDS	<u>6/26/18</u>	

Please respond to the following points:

1. **Document individual's current residential/vocational status (is individual able to remain/return home?)** Victor is currently enrolled at ABC receiving day supports.
2. **Will individual remain at current program after age 22 with school/provider consent?** It is anticipated that Victor will stay at ABC until his 22nd birthday on 6/26/18.
3. **Describe interim/contingency plan to needed services.** Victor and his area office will explore services listed within this ITP, based upon the availability of funding.

Do residential and/or vocational models described on page 2 exist? Yes
In your area/region? tbd
